Mark Smith

Mark,
Well part it looks like we finally made it!
You know you were the first
squirrel I met from Waterloo!
Remember all the beers I gave
and all the shit we did,
see ya after the game: I'll phab
ya around this summer
So we can get drunk!
So don't be goods don't stay sober!
Good luck always!

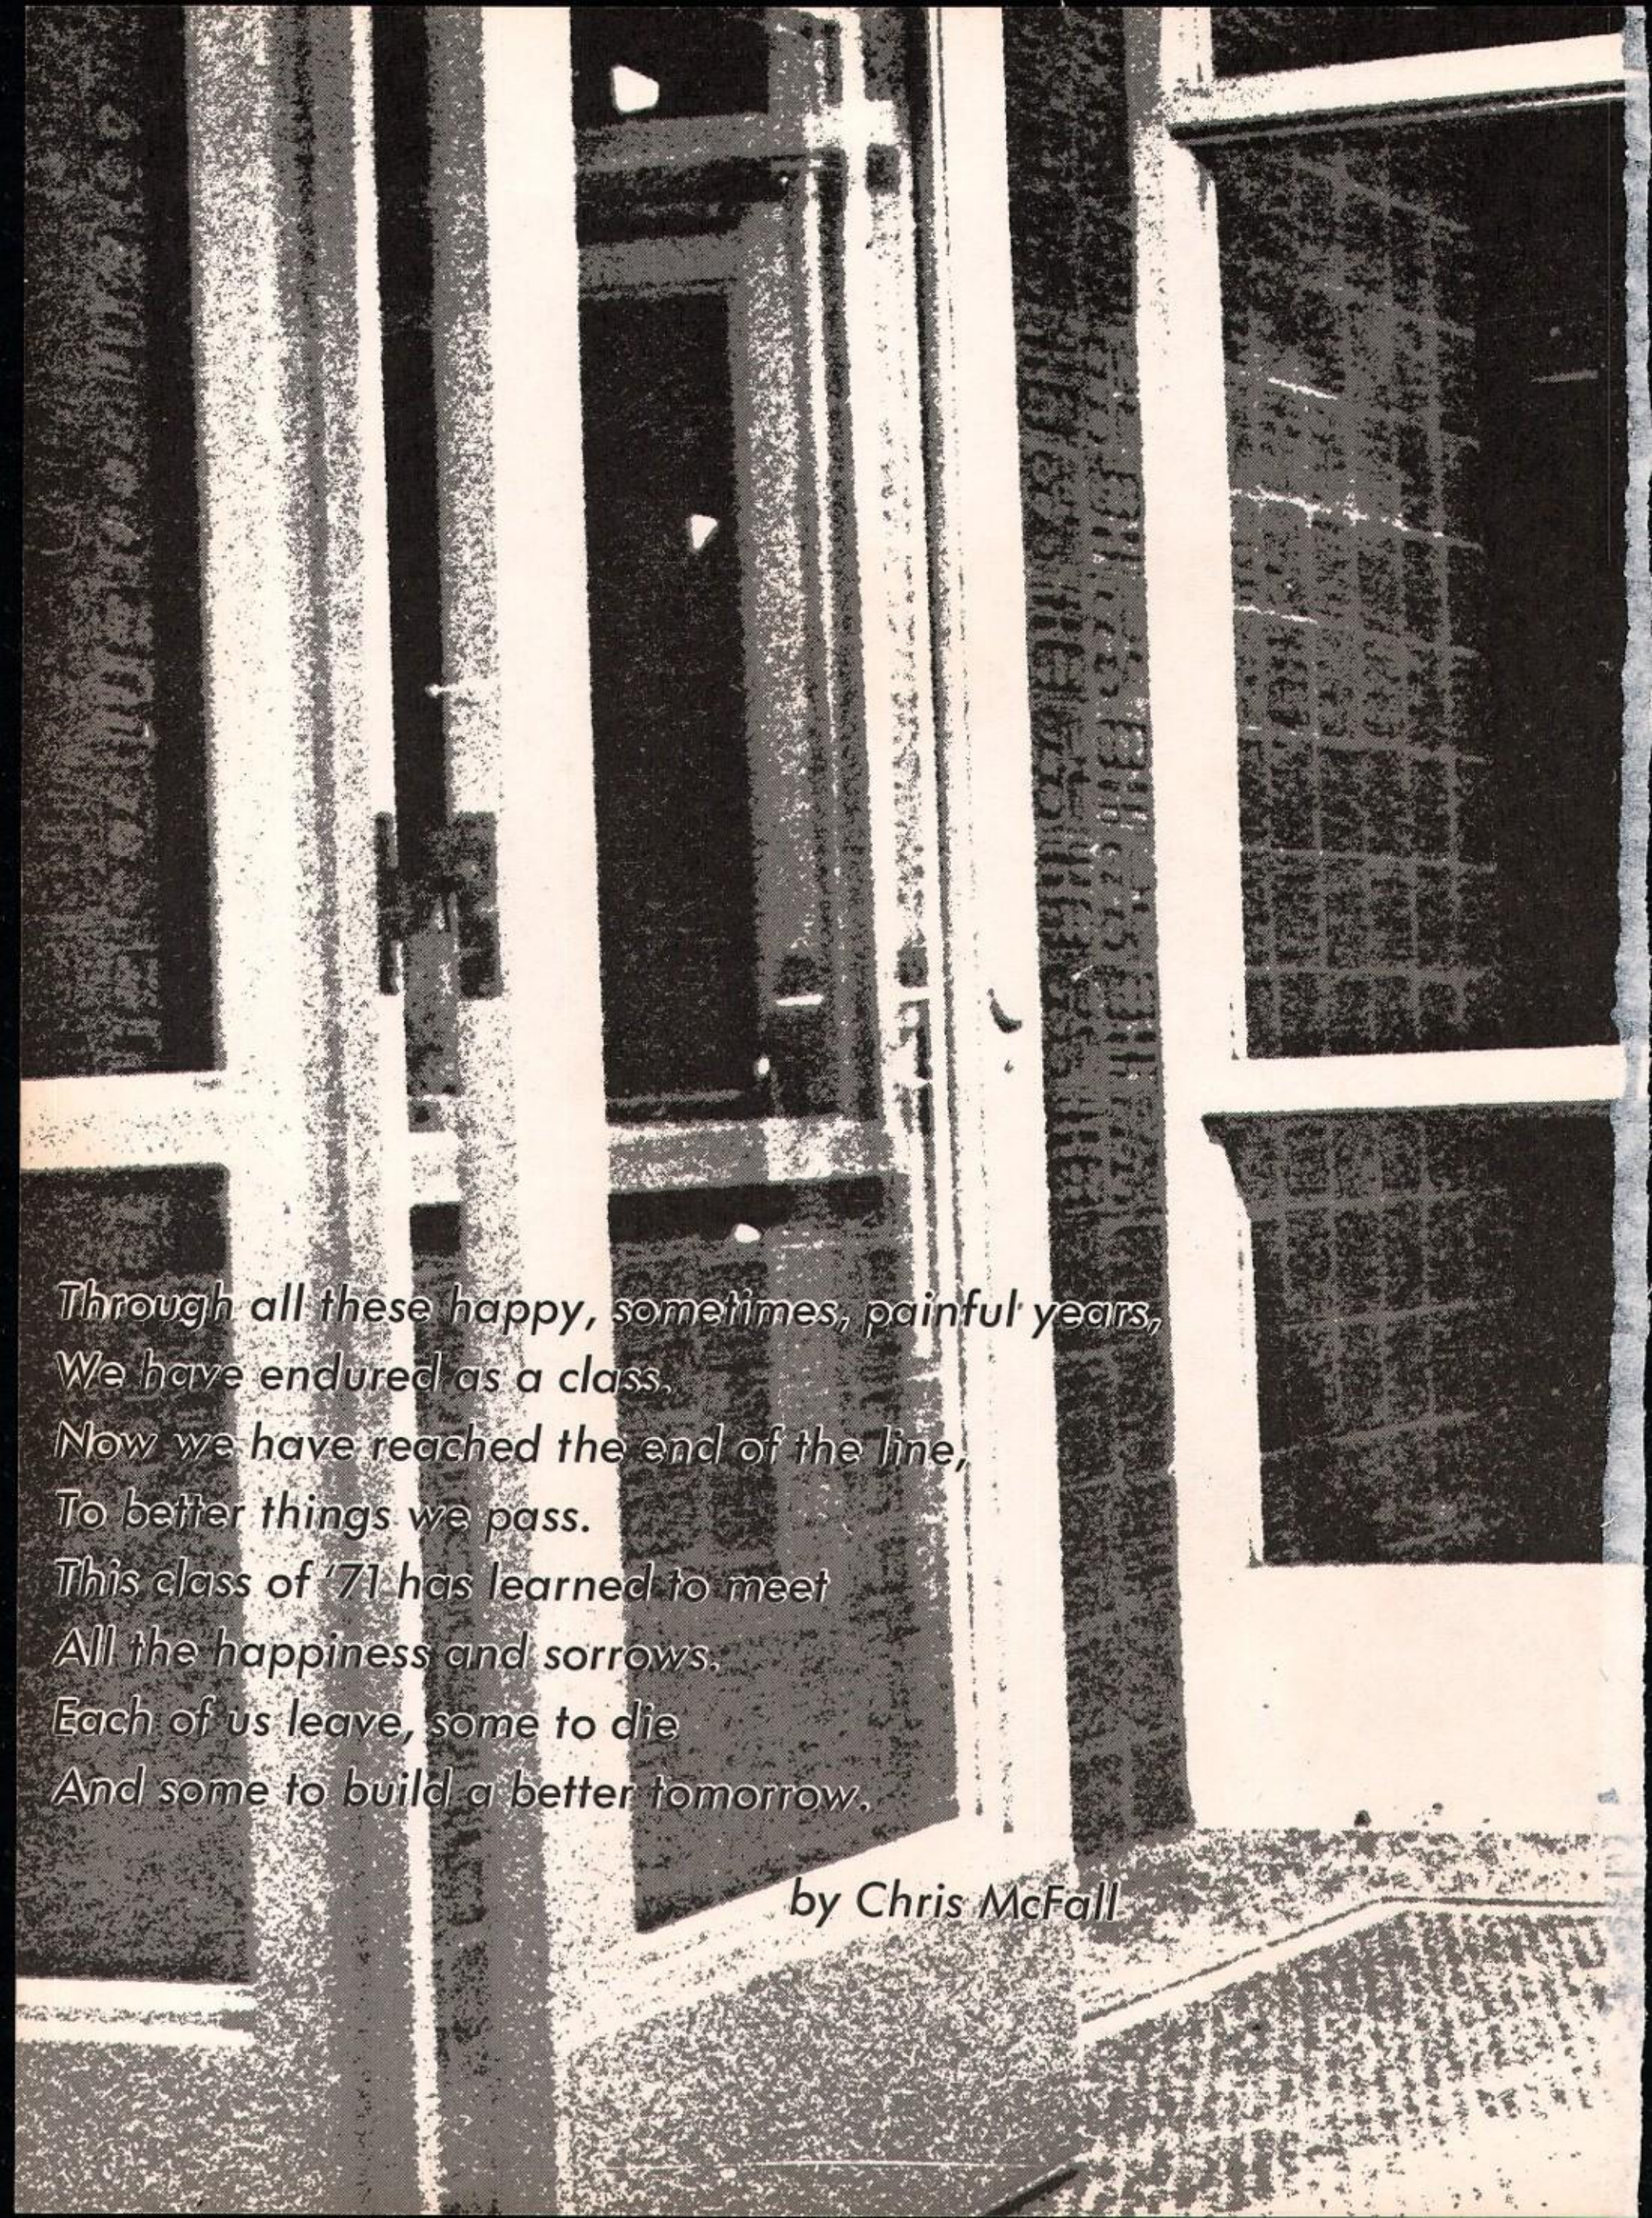
Mike

Dear Mark.)

Best of luck to one of the greatest sweetest, kindest, best-looking and sexiest boys in this God-forsaken senior class of ours... don't ever forget these years of high school Mark... I can't remember St. Mary's when I "weenied" and "skinny dipped" always called me "weenie" and "hated" you cuz you always told yourself - I loved every minute of it! Take it easy these next few years... I'll probably see you at R.C.C.I. this summer - I'll make the effort...! Be good this summer - but don't do too well at R.C.C.I. you make me look like you a little too ya know.

Stay Well and God Bless You.

Boud.



Through all these happy, sometimes, painful years,
We have endured as a class.
Now we have reached the end of the line,
To better things we pass.
This class of '71 has learned to meet
All the happiness and sorrows.
Each of us leave, some to die
And some to build a better tomorrow.

Narrigan Retires After ¼-Century Of Service

Mr. Narrigan left the Waterloo School System this year with 23 years to his credit as night building custodian. Throughout all of those years, he has unselfishly met with the late hours and extracurricular demands of both students and faculty. With mixed sadness and congratulations, the 1971 Skoi-Yase Yearbook Staff extends its best wishes to Mr. Narrigan, who will pursue a career of raising thoroughbred dogs, a long-time hobby.

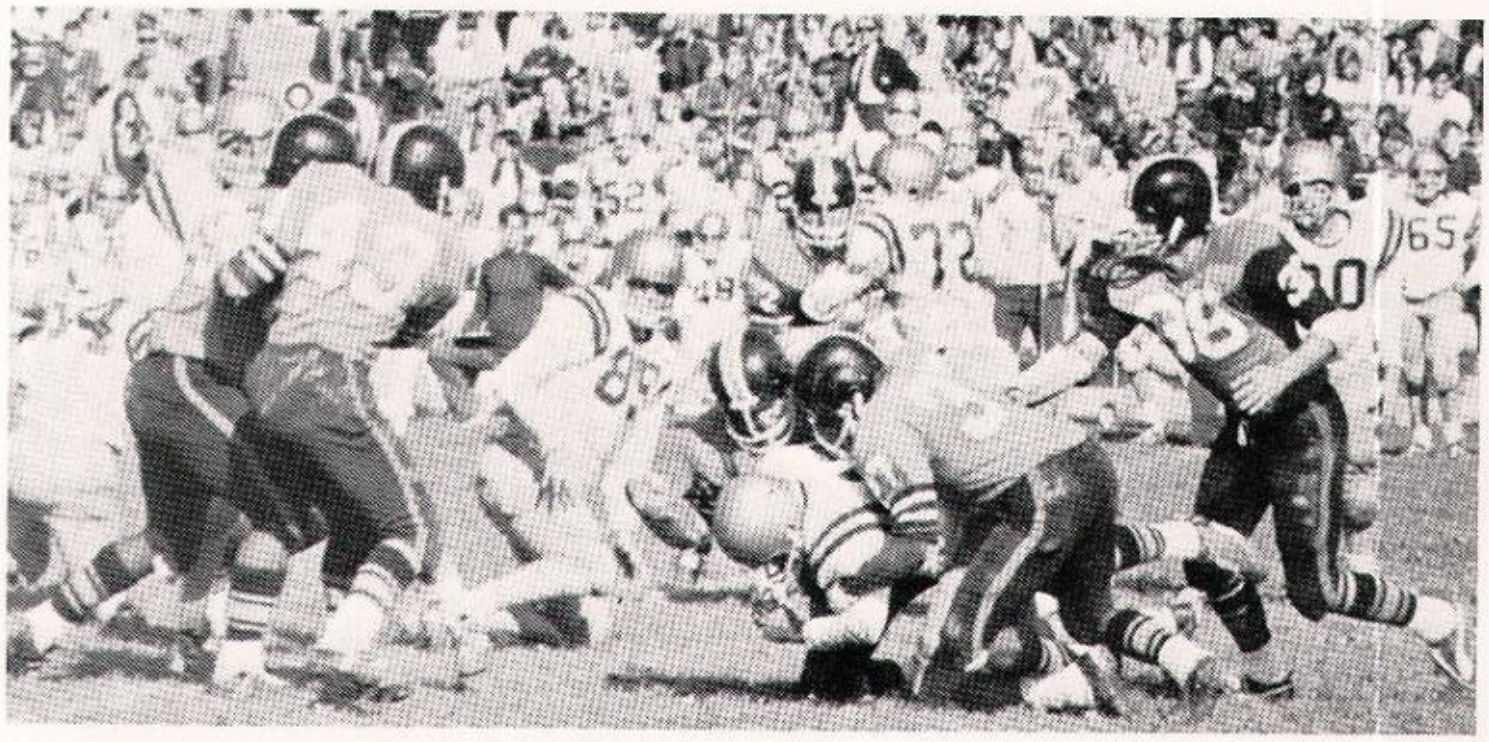
Linda Dawley and Lory Jeffery, top scorers on the Girls' Basketball Team, with their team members, have scored and guarded their way to a 6-1 record to date. The remaining two games will be played with the championship within close grasp.

Coached by Marcia Bertino, the soccer team provided much competition for their foes in the 1970 season. Sandy Babcock and Tanya Alberts complimented the team's offense, and a toilsome season was completed with a 1-2-2 record.

Gridiron Team Earns



Waterloo at Skaneateles.

The Indian's gridiron team gave many a pleasant surprise, ending their season with a 3-5 record which all took pride in. The team consisted mostly of Rookies except for Greg Verone and Gary DeWall. Every effort was put forth by the tribe because they knew they faced a tough season all the way around. With the exceptional coaching of Mr. Schwarze, head coach, Mr. Anderson, line coach and Mr. Courtney, end coach, every week improvement was evident. The Indians fearlessly stood up to every team and played a tough 48 minutes in each game. Win or lose, the Waterloo Indians gained the respect of every team they played.

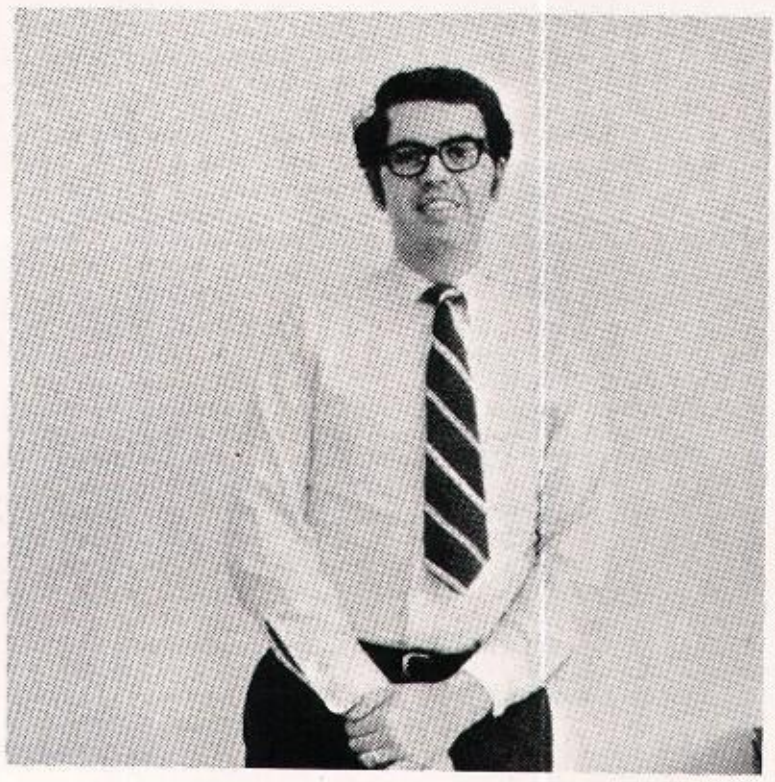
Coaches & Team

Mr. Schwarze, a graduate of S.U.N.Y. at Cortland, came to Waterloo from a teaching position on Long Island. He took the job of Indian Head Coach for the 1970 season, drilling for technique and execution. By the end of the season, a rookie team had been molded into an "Orange Machine." The fall of 1971 will undoubtedly bring improvement to the Indians.

For four years, Mr. Anderson has more than adequately served as line coach, proven by the Indians' accomplished history.



Coach Courtney, last year's J.V. Head Coach, moved up to the end coach slot on the Varsity this year. His promotion to the Varsity was also a promotion for the ends.

The Agony of Defeat.

As the Waterloo Indians huddled before their last game of the season on November 7, they fully realized the potential of the 7-0 opponent they were about to challenge. The final score of 44-8 conveyed the Blue Devils' experienced skill, but not the Indians' incessant drive.

A look from Mynderse's point.

On November 7, 1970, 13 seniors played their last football game for Waterloo. In that arch-rival clash, our seniors suffered defeat, but not in all entirety. They surprised everyone with a record perhaps not of quantity but surely of quality.

Teamwork.

Coach Giovannini and Coach Bishop constructed a team consisting mainly of Freshmen into a working crew. The early weeks of football were primarily technique. The boys did their best and produced a record that promises a skilled team for next season.

Cross Country—Still on

Coach Morse

After 4 years of building by Coach Morse, 1970 was to be the year of the Indian. Injuries hurt the team, sidelining Gary VanAllen, Clay VanNostrand, and Jim Pierson. This year, the Indians finished third in the League, led by Joe Wilbert, Butch House, VanNostrand, Bob Cox, VanAllen and Al Cosad. Next year's team will be aided by returning runners: Cox, House, Pat Dunlea, VanNostrand, Ron Stewart, Gary Woodden, Les Sigrist, Neil Anderson and John Velte.

Getting loosened up.

The Cross Country Team finished sixth in the sectionals, ahead of 22 teams. The over-all team record, including sectional play, was 34-10. In the past three years, the team has compiled a 107-25 record under the guidance of a fine coach, Mr. Morse. Such a past cannot lead to anything less than a future with continued success.

The basketball team was paced by the "D" cousins, Joe DiCicco, a senior, and Pat Dunlea, a sophomore. DiCicco has carried a 19 point average and Dunlea a 14 point. Kevin Rooney has been a strong rebounder. Jeff Hilimire also is a consistent scorer. Men like these build the Indians' score.

The team is only losing two seniors, Joe DiCicco and Gary DeWall.

Despite their "underdog" rating in each of the four sectional contests, the Waterloo Indians triumphantly marched to the section V class A championship. Fighting every inch of the way, the Indians went on to meet their arch rivals, Mynderse Academy, at the War Memorial where the Indians scored a 49-47 double overtime victory.

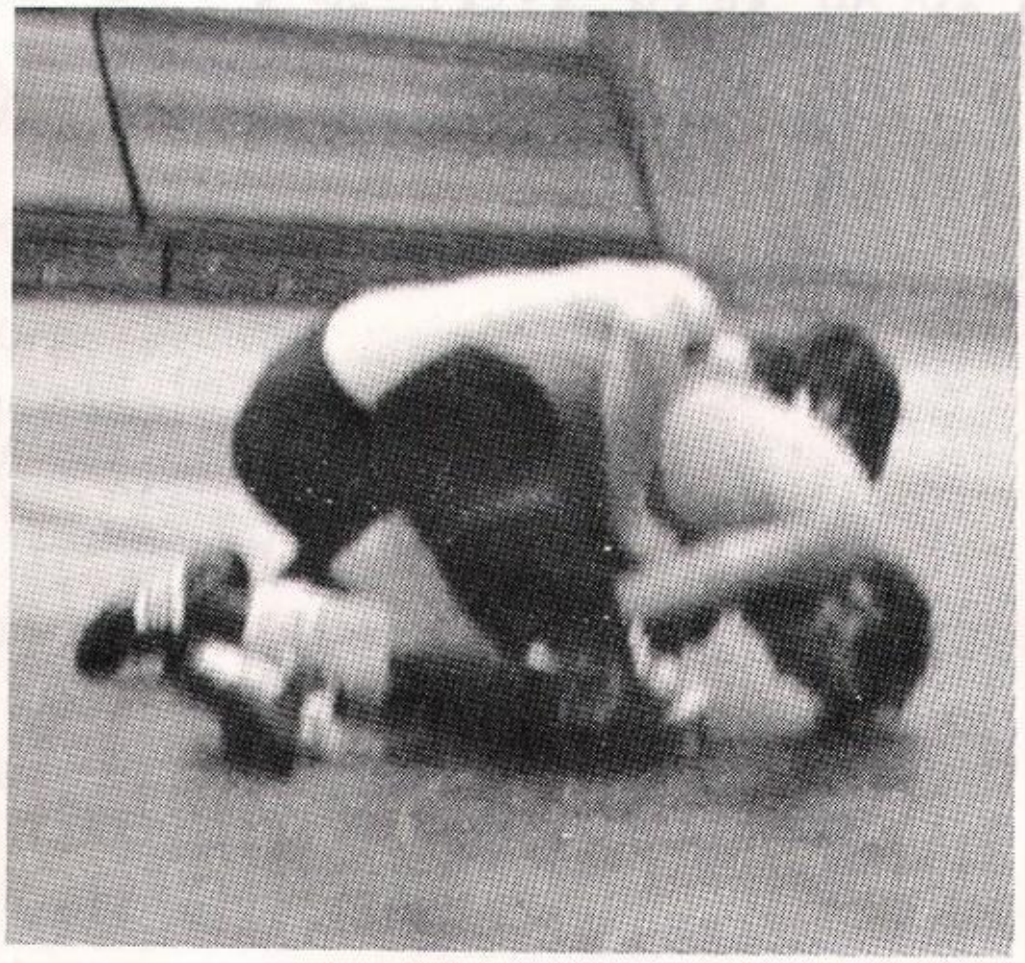
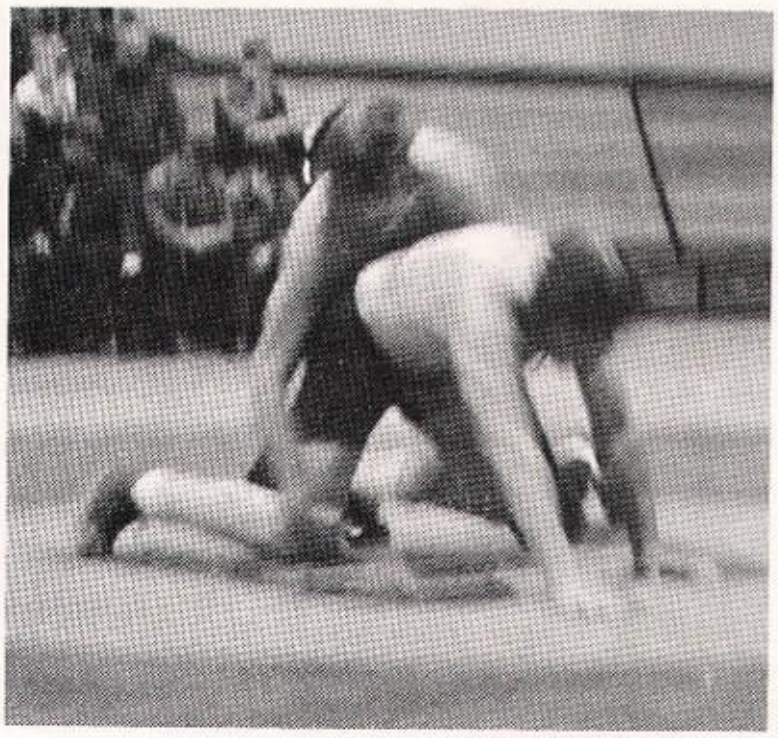
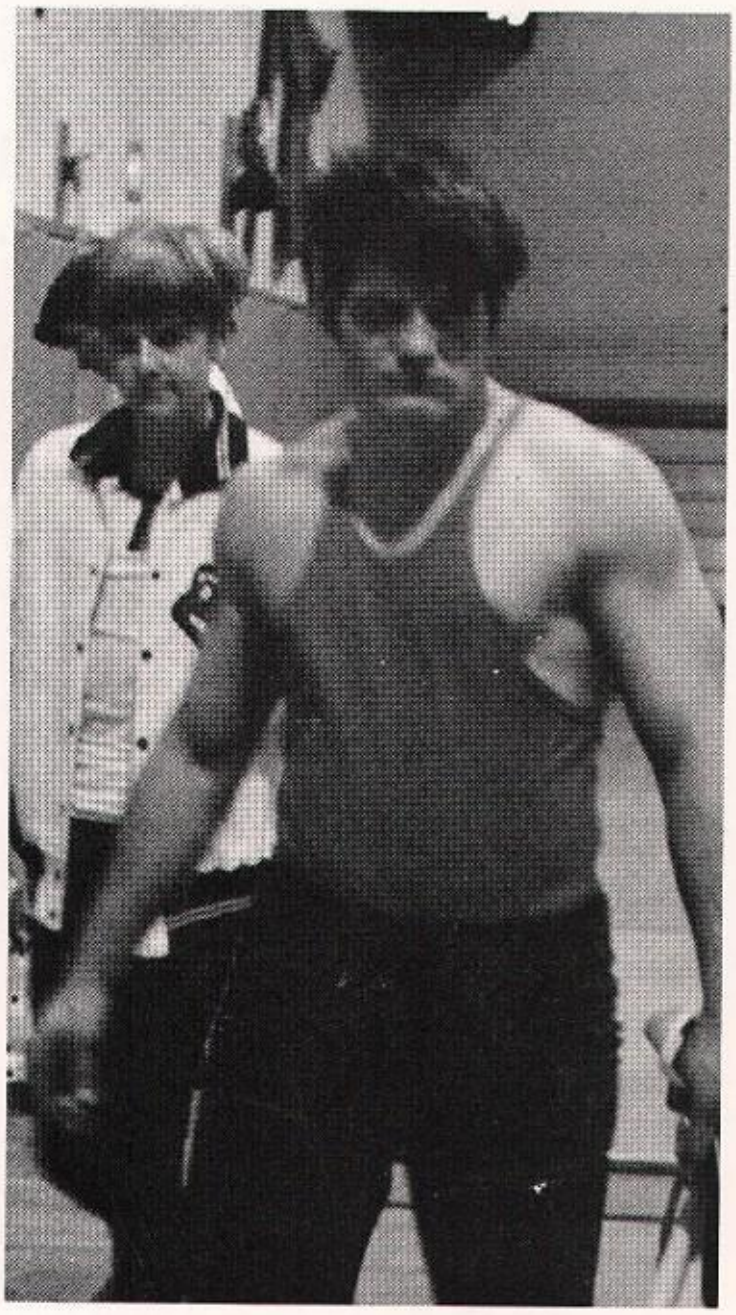
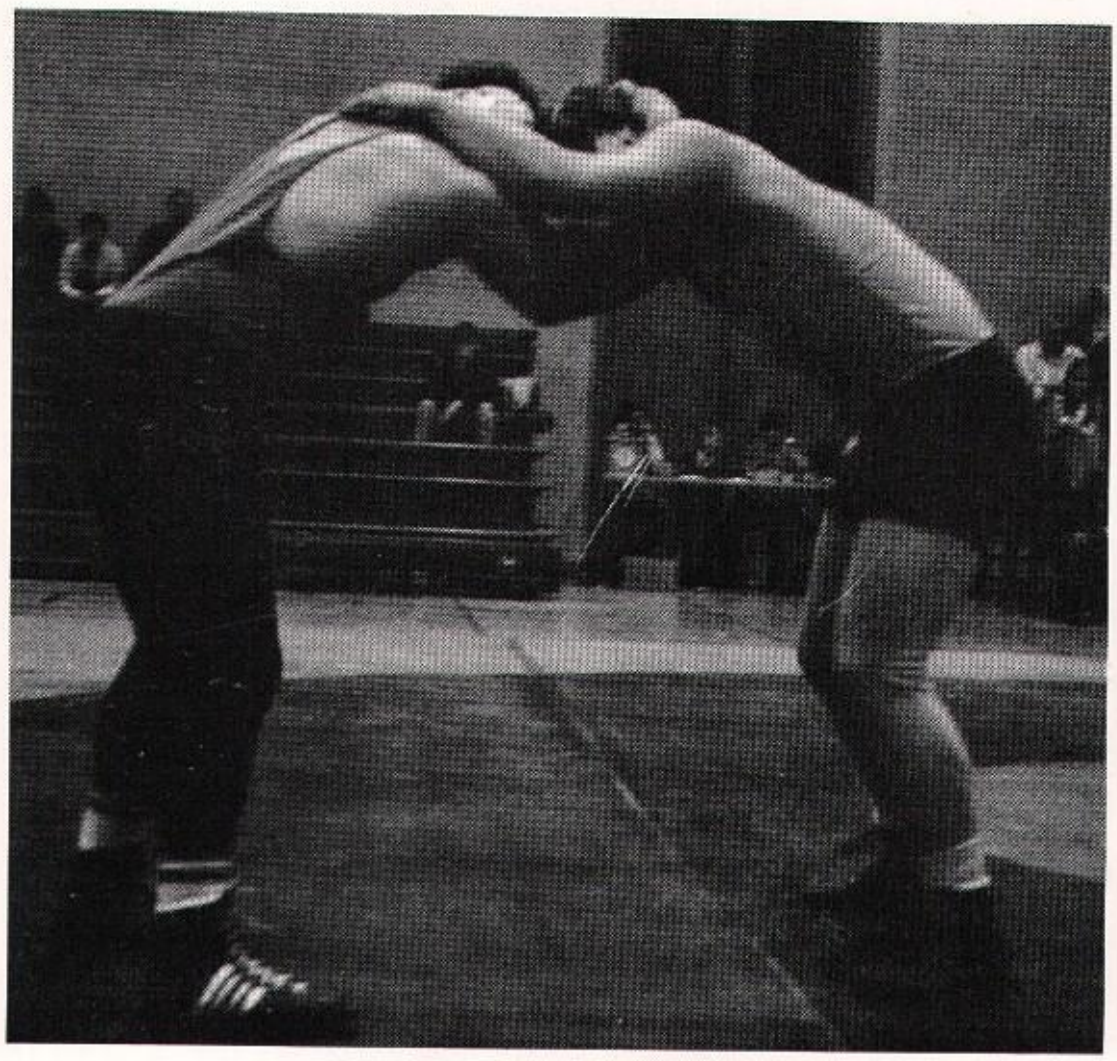
The Grapplers at War

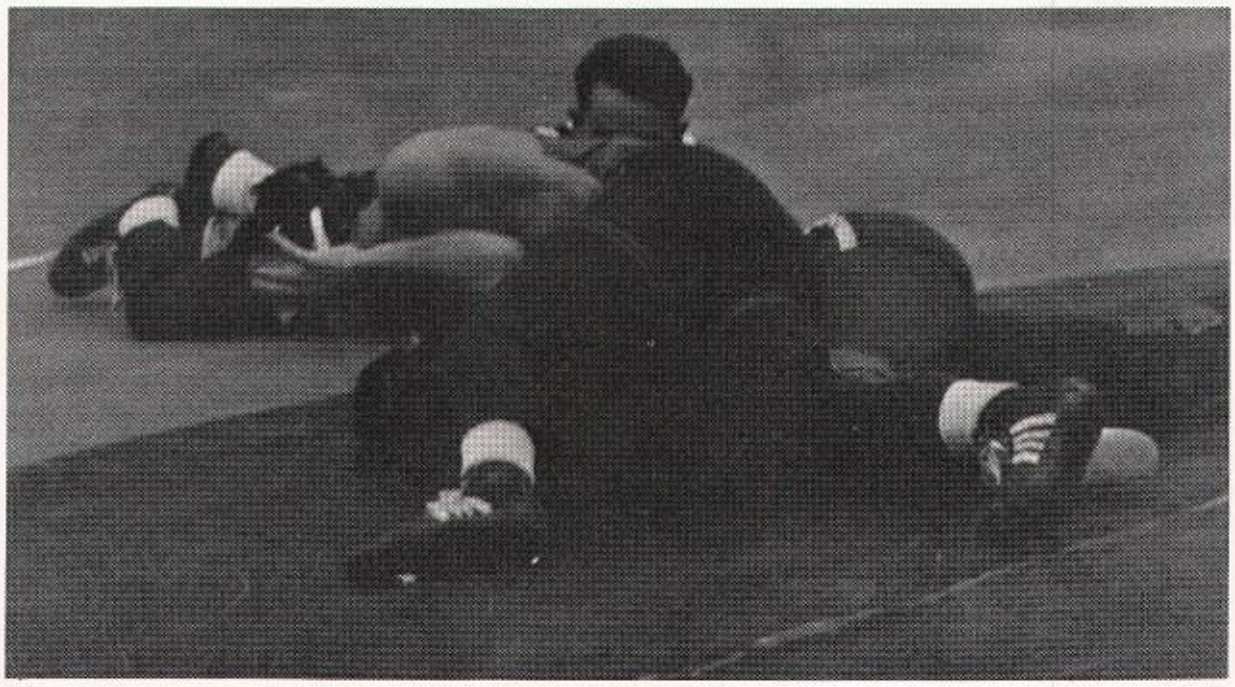








Greg Verone after a hard-fought match



Bill Evans striving for a pin.

Graduation left the wrestling team with two lettermen from the preceding year, Greg Verone and Gary VanAllen. Experience, which is essential in wrestling, was the grapplers' weak point. Consequently, they had to face some losses. With the patient coaching of Mr. Fennell and Mr. Bishop, the team will enjoy fine seasons in the years ahead.

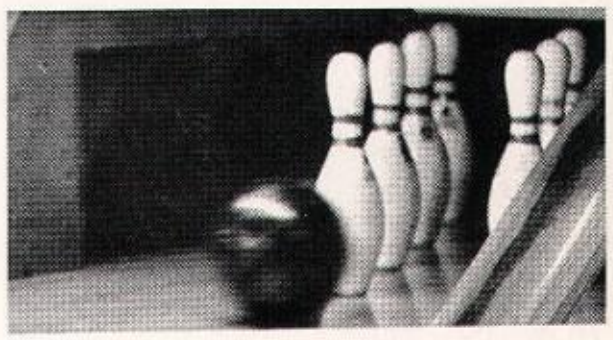
Bowling Team

J. Coffey, A. Avery, C. Stein, C. Clement.

This year, the bowling team spent time developing their skills under the coaching of Mr. Giovannini. Although the team will lose high scorers Captain Cliff Stein and Al Avery, new talent will enter next year and lettermen Jim Coffey and Curt Clement will remain.



Rifle Team

The Rifle Club kept its tremendous record of last year. The entire team returned to secure the Club's title in the league. High scorers John Breese and Kim Leitner will graduate, but Coach Bennett looks to a strong season next year with his experienced club.

Without the 1971 Skoi-Yase Yearbook Staff, the thread of memory is cut from the most impressionable chapter of our school lives. Persistence and perfection, the two traits preached by Mr. Dorf, the new yearbook advisor, were practiced among the staff fluently. By such exertion on the part of most everyone a winning formula was compiled—adding potential, subtracting doubt, and multiplying ideas—all equalling the very pages of this book. True recognition of the finished product of the 1971 Skoi-Yase Yearbook Staff will be evident in the years to come when many of you will again skim the 1971 Skoi-Yase and return to the days of your youth.

The 1970-71 Student Council carefully conconstructed Waterloo's first Homecoming Weekend, a truly memorable occasion for the school and community. Selling Student Council cards and sponsoring dances enabled the Council to gather enough money to support their orphan in Brazil and to plan assemblies. With the encouragement of the Student Council the dress code was relaxed and the student body satisfied.

Our inspiring instrumentalists, living in and around the band room much of the time, this year have brought the finishing touch to their organization—new band uniforms. Even without new uniforms, their half time show at the Mynderse game was effective, resulting from hours of practice and Mr. Schmidt's irreplaceable direction. A pop concert, a spring concert, a performing tour, the Gorham Pageant of Bands and the North Syracuse competition are the tasks to be undertaken by the band in 1971. As always, band performances are inevitable successes .

Mrs. Dunn and the members of ensemble spend hours outside of chorus preparing difficult numbers. At every concert, ensemble has provided that extra something for musically-minded audiences.

The Stage Band, a newly formed organization, not only has entertained students at Waterloo, but also has performed for North Rose students. Under the direction of Mr. Schmidt their potential has progressed from that of an average high school group to that of a polished dance band.

American Legion Oratorical Contest

The Warner VanRiper Post of the American Legion sponsored the Oratorical Contest held at Waterloo for the first time in many years. The many students entering the contest were helped by Mr. Dorf and Mr. Skinner in preparing their speeches on the subject of the Constitution. The first prize of 15 dollars was won by Don Eshenour, the second prize of 10 dollars by Rick Waters, and the third prize of 5 dollars by Wendy Warren. Don Eshenour again took first place upon advancing to the county and regional contest and will compete for a winning position in the Western New York State Zone Contest.

The Freshman Dance

"Psychedelic Happening," the Freshman dance of the Class of 1971, was held on the evening of March 23, 1968. The "U. S. Male" provided the musical atmosphere for the young dancers and Charles Williamson served as Master of Ceremonies. The freshman court consisted of Karen Henry, Bill Reeder, Lory Jeffery, and Mike Booth.

The Class of 1971 presented their Junior Prom, "Oriental Sunset," on the evening of May 23, 1970. With the combined efforts of advisors Mrs. Crenner and Mr. Procino and the entire class, the prom was most enjoyable for all. The music of the Mark VI charmed the atmosphere, and at midnight the court was announced by Mr. John Dunn, Master of Ceremonies.

Senior Class Float

The evening of October 23, 1970 marked the creation of a tradition at Waterloo Senior High School—Homecoming Weekend. First on the line of festivities was the parade, complete with our band, floats from the Spanish Club, faculty, class of '71, '72, and '73, and queens from all three classes: class of '71, Paula Nadeau, class of '72, Sue Fennell and class of '73, Patty Causemaker. The path of the parade led its participants to LaFayette Field for the game with Pal-Mac.

Out of the darkness, the determined voices of one fearless tribe of Waterloo could be heard—those of the chorus singing "America the Beautiful." Our team ended the half with a firm grasp on victory over Pal-Mac. During half time the winning floats were announced: first prize, class of '71, second prize, class of '73; third prize, class of '72. The float announcement was only outdone by the crowning of Paula Nadeau as homecoming queen by Student Council President Jim Pierson. The football team of 1962 was recognized at this time also as the only undefeated team in Waterloo History. The finishing touch on the Homecoming game was the score 26-6, an Indian style victory. A better beginning for a Homecoming at Waterloo is not to be found.

CAMELOT, Our Grand Finale

On the evening of February 6, 1971, the Class of 1971 convened in King Arthur's Castle for its most prominent social event. Camelot, their Senior Ball, was the result of days of decorating and planning—all under the direction of class advisors Mr. Dunn and Mrs. Crenner. The George Tell Quintet provided music for the enjoyable occasion and shortly before midnight the court was announced by Mr. Dorf, Master of Ceremonies. King Tony and Queen Toni and their nobility were crowned in those moments by the Class of '71's Junior Prom court.

The Top

The Skoi-Yase Yearbook Staff has set aside a few pages of the yearbook to express their congratulations to the "top ten" of the Class of 1971. All ten have applied their intelligence not only to studies but to every type of activity imaginable. They are indeed representative of the varied talents of the Class of 1971 and will surely contribute to their environments in the future.

Mr. Dunn, advisor

K. Henry, D. Nash, J. DiCicco, B. Fiorelli

From their debut into high school as the first "junior high" freshman class, to their senior year, the 167 members of the class of 1971 have remarkably survived all trials and thrived with their various talents. Within "their year" of 1971, they completed their final projects—a float for homecoming, winning first prize in the competition, and the sale of tee shirts which aided in financing the Senior Ball. The Class of 1971 owes its very existence to the guidance of Mrs. Crenner and Mr. Dunn and hopes that they received much satisfaction from their roles as class advisors.

SHOULD YOU GO TO GOULD'S AFTER HIGH SCHOOL . . . AFTER COLLEGE?

Since 1874, time of the above engraving, more young men in Waterloo probably graduated to Goulds than graduated from high school. Fortunately, for both education and Goulds, things have changed. Both have grown enormously. Today the opportunities for education, both high school and college, are greater than ever before. The demands on the students, however, are growing more intense. There is more competition. Same with pump companies. Some keep growing, others are drop-outs. Back in 1874, for example, there were four other pump companies in Seneca Falls. They're all long gone. We have some competitors, today, who are on shaky ground. They haven't done their homework, i.e., no new products, new approaches to markets, etc. Success in schooling, success in pump manufacturing; both are the product of determined, skilled, enlightened people. We have them at Goulds Pumps, Inc., and we're proud that a great number of our key people are Waterloo Central graduates. Many are those who have gone on to college and then returned to Waterloo and to Goulds. These illustrations show the change in Goulds plant facilities in the past 90 years. But Goulds is moving faster than that. In the past 10 years sales have more than doubled. To keep growing we need more good people to grow with. Consider Goulds as a good place to work after high school or college.

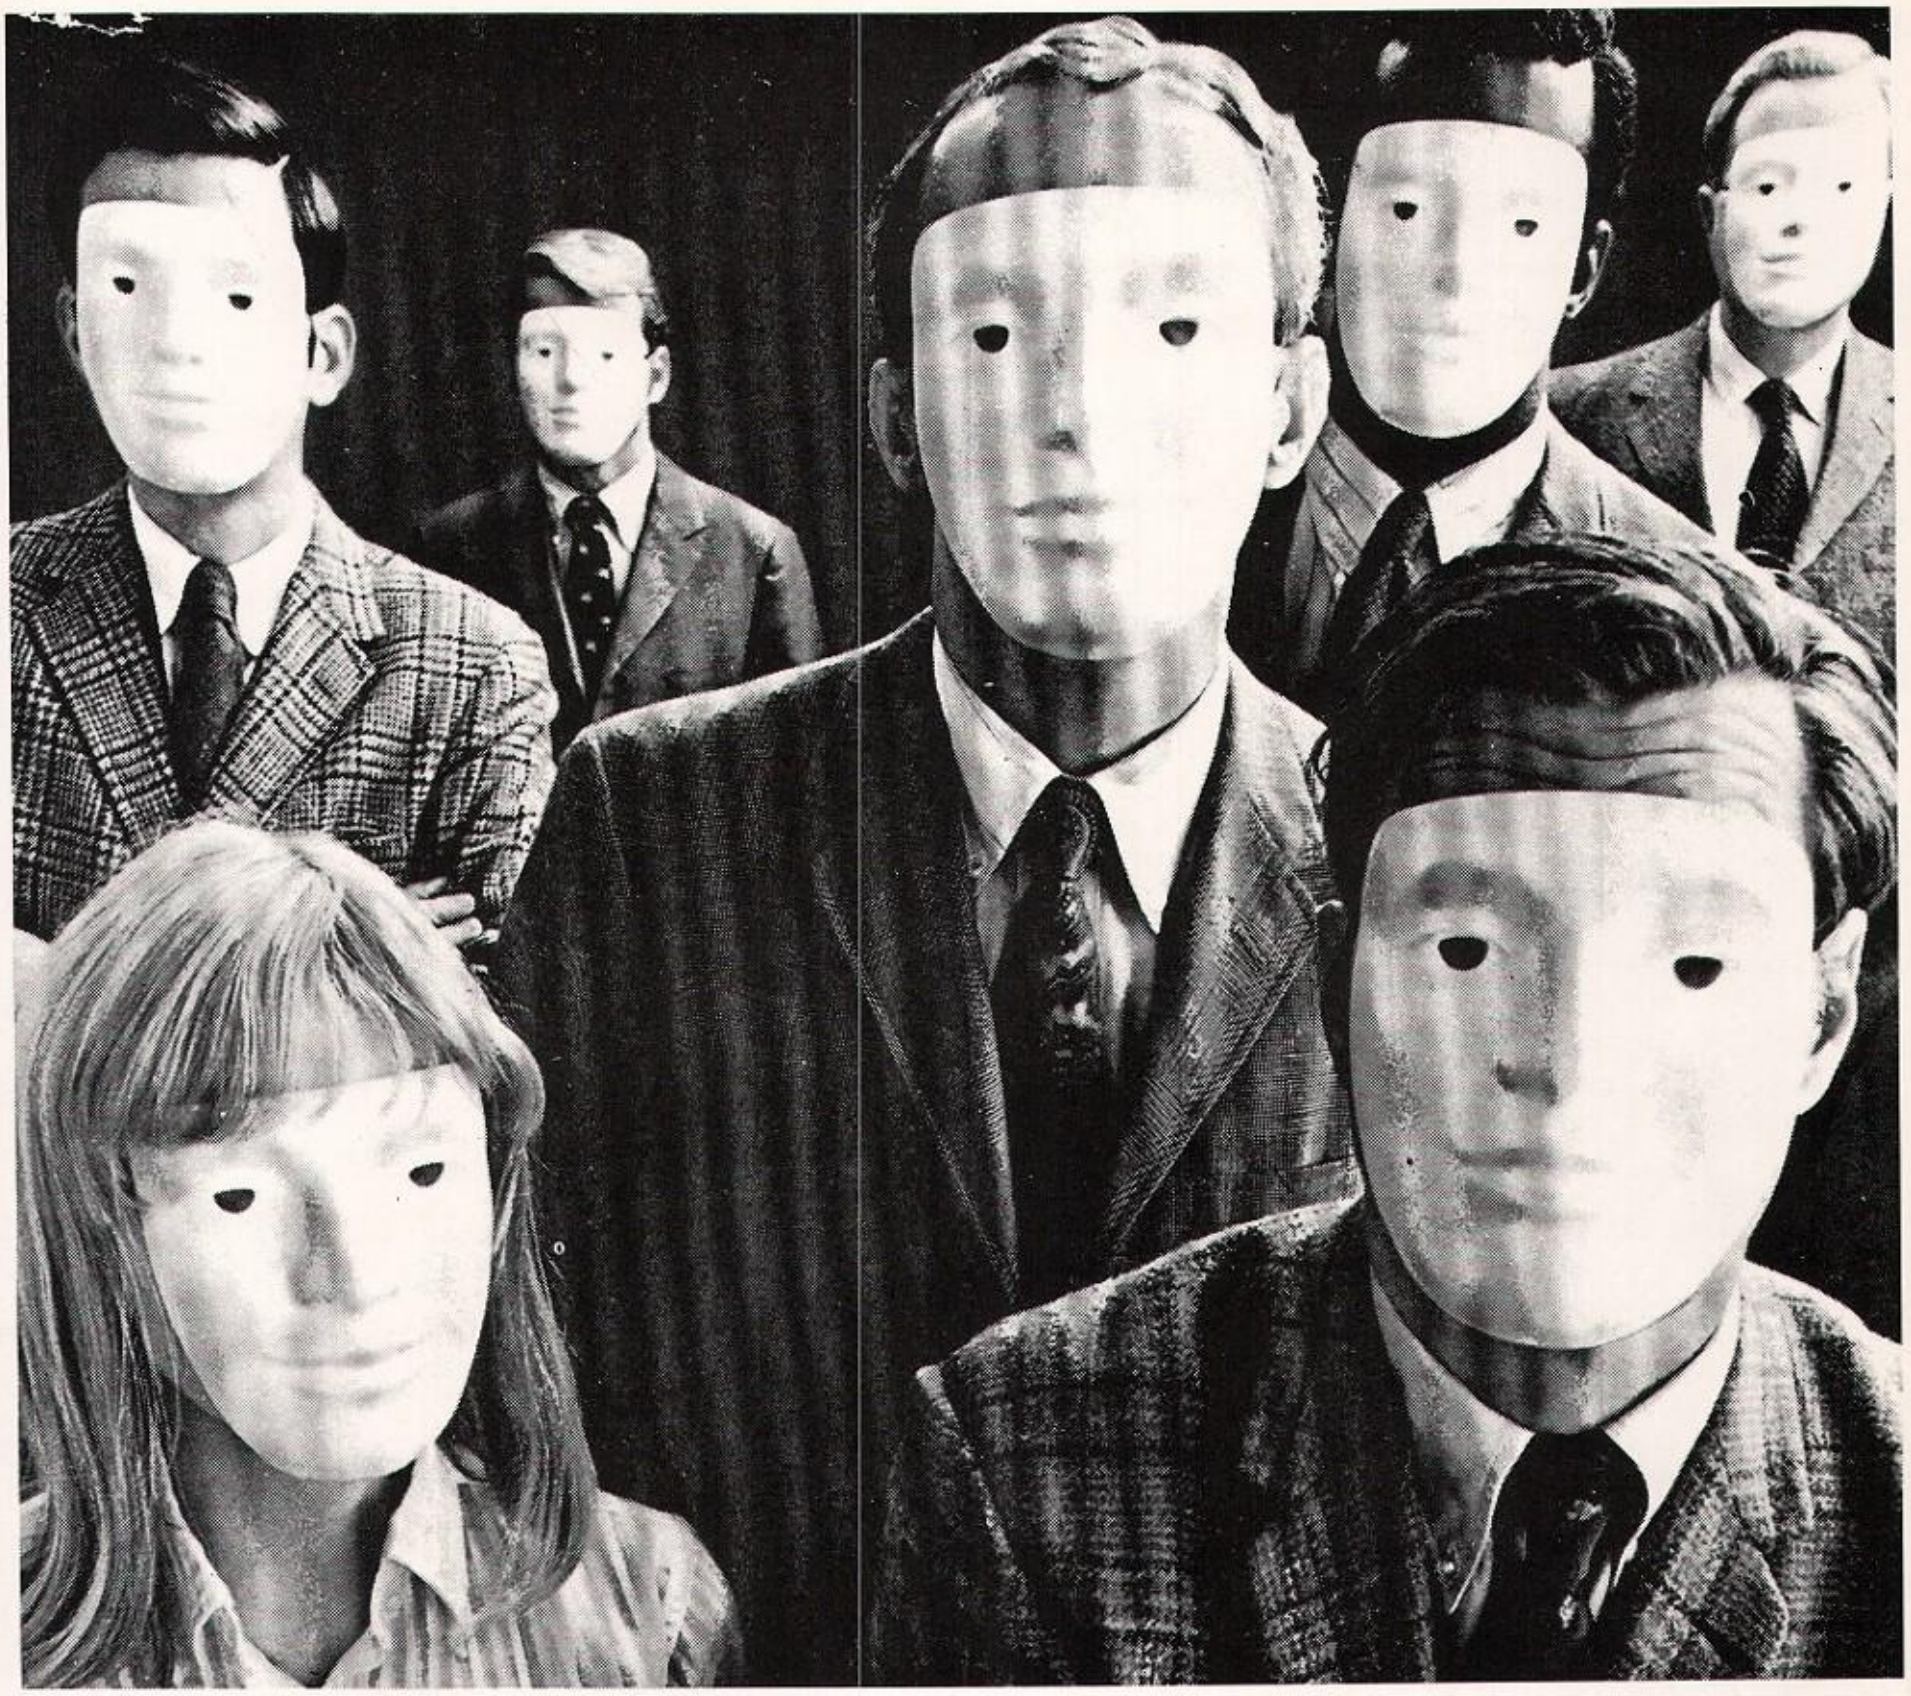
"Where all the sports hang out"

Riverview Plaza
Seneca Falls, N.Y.



Do you have to give up your identity to make it in a big corporation?

You've heard the stories:

One big corporation forbids you to wear anything but white shirts.

Another says it wants you to be "creative"—and gives you a 4-pound rule book telling you exactly how to do it.

Yet another doesn't want you to buy a more expensive car than your boss because "it wouldn't look right".

Is this really happening in American business?

Have companies become so rigid and fossilized that they're scared of people who don't fit the "norm"?

Not this company.

We are not hung up on trivia like that.

The advances General Telephone & Electronics has made didn't come from people hiding behind organization charts and smiling at the right time.

They came from people who used their brains:

People who revolutionized picture-taking with the Sylvania flashcube, who developed the high-energy liquid laser, who came up with the sharpest color TV picture in the world, who pioneered instant electronic stock market quotations, and so on.

We are looking for more people like this—people who aren't afraid to stand up and try themselves out.

We are an equal opportunity employer:

All you need to make it with us is a good head on your shoulders.

Those of us who worked on the 1971 Skoi-Yase hope you have enjoyed the book as much as we have enjoyed bringing it to you.

Mack,
Well, well, well... all i can say is well- i have too much to say that can be written on this paper or for that matter even in this book. Since the beginning of this year i have gotten to know you just about the best out of a lot of people. you're one of my closest friends whether you know it or not. it seems as though whenever we're in the same area or together we ~~we~~ i feel as if we are almost as close as brother and sister. i'm taking for granted that if i had some kind of problem (about it) and needed someone to talk to other than a girl, it would be you. i don't know what it is, but i think i would tell you just about anything. i hope that you take for granted that if you ever need someone to talk to about something (whether it be 2 weeks from now or 2 years from now) you can come to me and if i can be of any help ~~at least~~ i will be... or at least i'll try. feel free to come to me anytime, anyplace if i can be of any help. come out to the house more often... just to shoot the shit. maybe we can both get our heads together... a little more than they are now. Everybody needs help from someone; i'd be more than happy to give it to you.

Through all these happy, sometimes, painful years
We have endured as a class.
Now we have reached the end of the line,
To better things we pass.
This class of '71 has learned to meet
All the happiness and sorrows.
Each of us leave, some to die
And some to build a better tomorrow.

Chris McFall

Mark-

There's so much to say and really no way I can say it. You've meant quite a lot to me these last three years. It's not everyone who can have a cousin and special friend both in one. Always remember the times we walked around all the streets and "the Baptist Church Bus". But most of all remember what we've meant to each other. I never thought that wise little "sophomore Kid" would ever mean so much to me but, you sure do. You're absolutely great to me. You know, I've loved you all along. It just took a while for us to get back to where we started. And I'm awfully glad we did. There's millions of memories We two have of each other. Walks in the cemetery- (more than once) and talks in the park. (more of those to come I hope) The last day of school when you asked me out after a long time, loads of them. So many I can't even list. You never have to ever worry about my feelings for you changing because I know they never will. Remember the first time you took me drinking- Boy was I bad news. I can't see how you've put up with me all this time. You pretty well know exactly what's in my mind. I only want to come to Auburn and live. (that's all-heh) No words or poems can ever be good enough to describe our relationship these last few years. How 'bout "the three Kids"- they finally have their daddy back. You've brightened my life with your just being there when I needed you and I'm glad I finally wised up to know you're the only one for me. It's just great- beyond all words- you're finally mine and I'm totally yours for as long as you want me. I can only say that I'm the happiest girl in the whole wide world only because you're here beside me. I know you'll be a great lawyer because you're so understanding and all. Maybe someday we can go into a nurse-lawyer team. I'll keep 'em sick and you can sue the crap out of them. ok? that way we'll make loads of money. Thank you for being so patient with me- you'll never know how really much that means to me. You're my port in a storm of problems and I can never really show you how much help you've been. To think of how really dumb I was in the way I treated you- I could kick myself for it! But, I promise honey I'm gonna make you happy. We have loads of fun ahead of us- and it's good to see that now both of us are willing to go half-way instead of being so hard headed. So with a little luck and lots of love we may make our final goal. Like I said - we've grown-up together and that's the best anyone could ever ask of life. (you sure make a neat playmate) This time I'm not gonna end this writing with a sob but only a smile because I have something I know will always make me happy- You! So, tomorrow or a year from now- or even longer- I want you to look at this page and say to yourself- "Yep- She really does love me" because I really do. and you're something that will always fill my heart with joy- and make my life one big happy place.

Take Care-

-I love You Always-

Through radio marathons, door-to-door fund raising campaigns and plain ol' generosity the Waterloo-Seneca Falls community was able to raise well over two thousand dollars to purchase a Universal Weight Machine. Hundreds of area residents, a few of whom are listed above, gave generously when asked. The youth of Waterloo will enjoy and benefit from this purchase for many years to come.

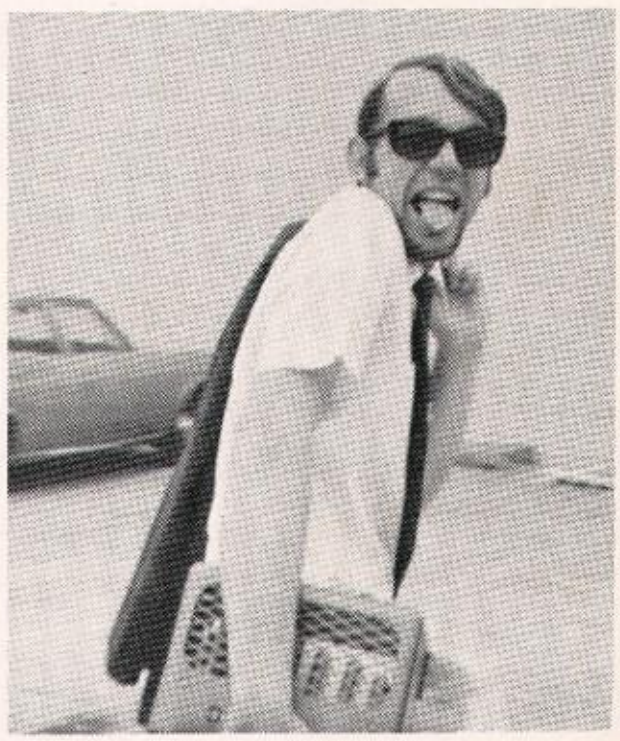
GORHAM '71:

We Came,
We Marched,
We Conquered!



Ha Ha Mynderse!

After many weeks of hard practice the band and color guard came home from Gorham with three trophies including one for First Place in marching. The marchers were led by Wendy Warren and Randy Norcott, drum majors; Peggy Cuddeback, color guard captain; and Linda Dawley, this year's pageant queen from Waterloo.

The band members expressed much gratitude to Mr. Schmidt, who departs from Waterloo after his fifth and most successful Gorham competition.

This was the first year that the Waterloo band got to show off their new uniforms with the big orange "W" in front. The uniforms were purchased through the cooperation of the school board, parents, and concerned citizens of Waterloo.

With experience at Canisteo and Cicero, bringing home a total of three trophies, the band and color guard especially worked hard to give Mr. Schmidt the first place trophy which Waterloo deserved at Gorham.

Happiness is . . . a Gorham first!

The Lacrosse team compiled a respectable record against tough opposition this season. Despite losing their M.V.P. Mark Smith, the lacrosse team has all but three starters coming back, and looks forward to the spring of '72.

GORHAM PAGEANT OF BANDS

The Annual Gorham Pageant of Bands held June 7, proved to be as exciting and exhausting as usual. Although they didn't place, the band showed a good effort. The Color Guard placed third in a close competition.

WRESTLING: Posting a 6-7 won-lost record, this year's wrestling team finished the season in fifth place in league competition. Senior Tom Pearce, who suffered only one defeat, was Waterloo's lone league champion. The team's most valuable wrestler also distinguished himself in the Section 5 tourney in Corning. Junior Tim LaBelle, who also lost only one league match, was the most improved wrestler. Junior Dave VanNostrand, 95, and Pearce each received trophies for scoring the most pins. The prospects for next year's team are encouraging as only two varsity starters will graduate.

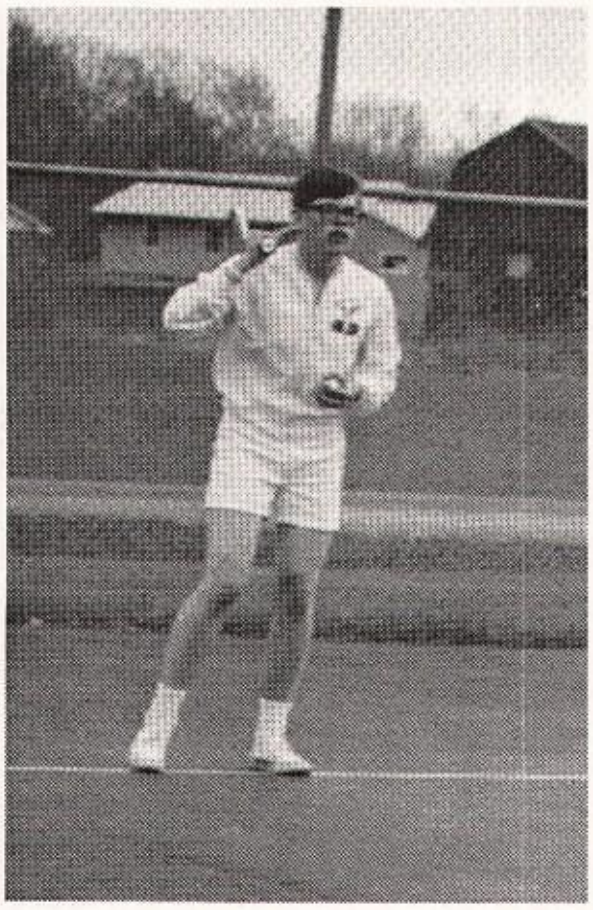
RIFLE: This year's rifle team continued to grow stronger as the season progressed. Still building for future years, the team compiled a 7-9 record. Senior John Pettingill, the team's leading rifleman, received the MVP award. Other top scorers were Senior Jack Kuney and Sophomore John Breese.



BASKETBALL: Although they finished the year with a 9-9 record, the season was encouraging as the team reached the .500 plateau for the first time in several years. Sparked by Senior Jim Contant and Junior Steve Schweitz, the Indians lost several games by one or two baskets. In sectional play the team just missed advancing to the second round, losing to Spencerport 49-45 in the last few seconds. Schweitz, one of the league's top scorers, was chosen as the MVP.

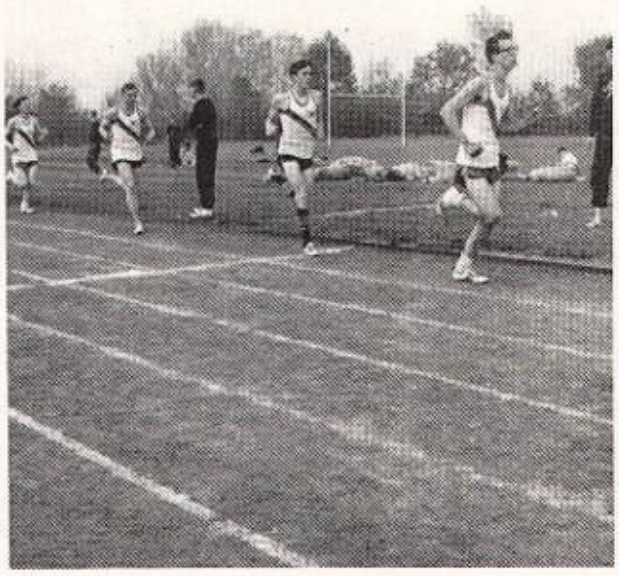
TENNIS: Competing in class A competition after a season's absence, this year's tennis team distinguished itself throughout the league. After a winless season two years ago in class A, they won 16 last year in class B. This year they rebounded for an 11-59 record. Marty Olschewske, Tom Paradise, Don Covert, and Terry and Larry Spiwak led the team to its most improved season. The most improved player award went to Senior Marty Olschewske, and Gary Seifert received the Outstanding Freshman award.

TRACK: After winning only one track meet in the last three years, the team defeated three teams this season. Working with a squad of 50 members, Coach Morse has started the rebuilding road to a championship team. Particularly strong in the distance events, the Indians always made it an exciting meet. Steve DiCicco, who copped the league championship, and Jim Pierson, who placed second, repeatedly gave top performances in the 2 mile and 440 respectively. Jim Waters received the outstanding track award and Roger Ridley received the best in field award. The future looks good as only seven seniors will graduate.



LACROSSE: In their first year in the Upstate Lacrosse League and only their third year as a team, Waterloo distinguished itself as a team to watch out for. They surprised everyone by posting a 9-6 record. Led by high-scoring Bob Craig, Pete Vacca and Calvin Utzman, the Indians provided plenty of action in their games. Senior Craig on midfield was elected as the MVP, and senior Steve Bourne, who played goal, was elected the top defensive player. Another senior, Mike French, was chosen as the most improved player. With as many key players returning, next year's team should continue Waterloo's winning ways.

BASEBALL: Although they ended the season with an impressive 10-5 record, the baseball team failed to capture the Wayne-Finger Lakes championship as well as a sectional berth, when they lost the last game of the season to Penn Yan and a play-off game to Mynderse. However, next year the Indians should be a major contender as thirteen players will return. Junior Chuck Pratz, with a 1.38 ERA, was the team's leading pitcher. Junior Vic DiJohn was the leading hitter with a .372 average and 11 RBI's, and junior Bob Didsbury was named the MVP.

BOWLING: This year's bowling team once again distinguished itself in league competition, posting a 33-11 record, good enough for second place. As it was last year, only Dundee was able to top the Indians. Led by three seniors, Ron Rizzo, Marty Olschewske, and Pete Vacca, the team made Coach Giovaninni's first year an enjoyable one. The team also produced some great individual efforts. Three team members, Rizzo, Olschewske and sophomore Scott Phillips advanced to the finals of the New York State Junior Boys divisional championships. Phillips placed twenty-first in the boys 15 and under division. Marty Olschewske placed seventeenth in the boys handicap division. Ron Rizzo, in the boys scratch divisional championships at Albany, placed first. Bowling a 561-545-593 series, his 1699 total was good enough to earn him the championship. Next year's team will be undoubtedly weakened by the loss of Rizzo and Olschewske, but they should still be contenders with prospects like Phillips returning.

GIRL'S SOFTBALL

This year the girls Honor Softball team started out with a three game winning streak before bowing to Clifton Springs and Phelps. The girls successfully defeated Geneva, Penn Yan and Mynderse. Graduation meant the loss of two key players, Donna Daeffler and Sandy Hansen, but the girls feel they will do as well next spring as they did this year.

SCARBOROUGH FAIR

A small, quiet fishing village set the scene for "Scarborough Fair", the senior ball, held on March 1, 1969. We danced to the music of "The Mark VI", and at 11:30, Fred H e d g e c o t h and Sheila Smith were crowned King and Queen of the Ball by the announcement of our M. C., Mr. Rodger Meadway. The night wouldn't have been possible without the assiduous work of our class advisors, Mr. John Dunn and Mrs. Hannah Stone, whom we sincerely thank.

May first marked the opening of Arthur Miller's **The Crucible**, a serious drama of the Salem witch trials. This production was the first attempt to present a play in the round, rather than in the conventional on stage manner. Under the direction of Mr. Louis Procino, the cast gave three excellent performances which were enjoyed by capacity crowds.

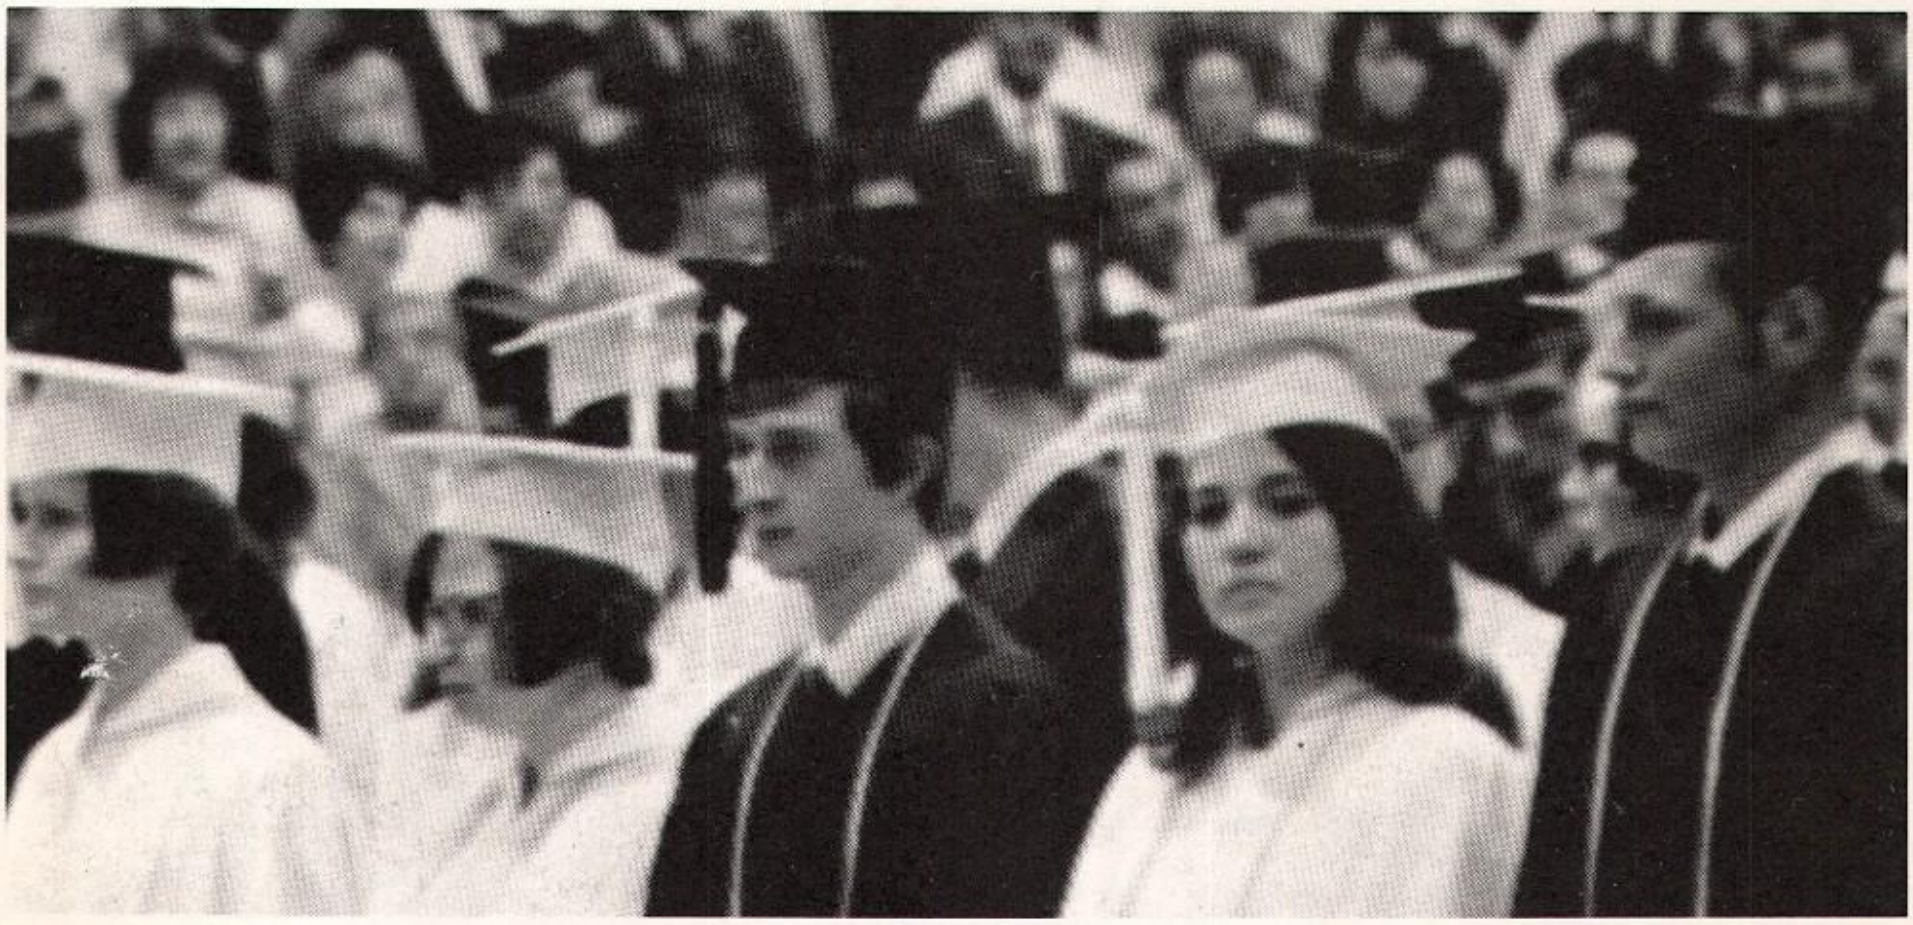
OUR SENIOR BANQUET

Although Seniors did not receive their yearbooks at the Senior Banquet this year as a result of a delay in shipment, the Senior Banquet was still an important and memorable event. The annual banquet was held at the LaFayette Inn in Geneva, and was enjoyed by all who attended.

MANY GAIN RECOGNITION



On June 22, 1969, Commencement Exercises climaxed many years of hard work and determination by the students as well as the administration. As a result of their four years of study and effort, James Waters and Barbara Whitbeck earned the titles of Valedictorian and Salutatorian. Fourteen members of the class received Gold Key Awards in recognition of their contributions to school activities as well as scholarship and attendance. The five Waterloo Faculty Association Scholarships were awarded to Diane Miles, Donna Daeffler, Gary DeBolt, Laura Frarey and Paula Belsito. Other awards for scholarship in various fields, sports achievements, and club participation were presented to various students. To highlight the afternoon, Brenda Rosenthal, president, announced that the Waterloo building would now bear the name of Claude C. Boxtator.
